Pet Purchase Contract

This purchase agreement is entered into on _____ by Laura Wiese (breeder/seller) and _____ (purchaser).

1) This contract is valid for the following described puppy:

Breed: Mi-Ki; __Male __Female; _____ Date of birth;

Coat type and color _____;

Puppy Registration # _____;

Dam: _____ Registration# _____

Sire: _____ Registration# _____

- 2) This animal is to be sold as a pet only. The purchaser agrees to spay/neuter this puppy by 6 months of age. This animal is not to be used for breeding purposes. After the dog is spayed/neutered, the purchaser agrees to send a copy of the neutering certificate to the seller. Once received, the seller will then forward the puppy's signed Registration Certificate.
- 3) The price of the aforementioned puppy is _____ dollars. A deposit of ½ of full sales price is required to reserve your puppy. The balance of the price is due before/as your puppy is being sent to you. Deposits are not refundable.
- 4) Your puppy will receive a check up by a licensed veterinarian and will receive the preliminary puppy shots. Paperwork will be provided to the buyer to verify the puppy's health and shot records.
- 5) The buyer is required to take the puppy to a licensed veterinarian of their choice within 72 hours of receipt. If the puppy is found to be in ill health at that time, or if the puppy is found to have a genetic or hereditary disorder within the first six months that would prevent that animal from being a good family pet, the puppy may be returned to the seller for a refund or a replacement puppy when one becomes available. Under no circumstances is the seller to be responsible for veterinary bills or return shipping fees. Breeder/seller does not guarantee size, adult coloration, or temperament.
